

PLUTO BZ6

4WD Ambulance

PLUTO BZ6 4WD ambulances are the civil-version of PLUTO military vehicles, which having high-quality and reliable performance in the past 10 years.

Compared with original military vehicles, PLUTO off-road vehicles have longer wheelbase and both gasoline and diesel engine to choose. The most impressive advantages are their spacious cabin and excellent cross country performance, as well as the lowest purchasing cost among all similar vehicles.

This 4X4 ablulance is suitable for carrying patient and wounded person under not good road condition.
